

I have been nominated to serve as President of the OD Shag Club. I have been active in the shag world for most of my adult life. I am from Camden, SC. I moved to the beach in 2013. As a member of several shag clubs I feel that I have many attributes to enhance the direction of the OD Shag Club. While living in Camden/Lugoff area I was a member of the class shag club for 20 years. In 2008/2011, I served as President of the Camden/Lugoff shag club for a period of 4 years. I also served on the same club's board for a period of 12 years. I am proud to say that I did receive the icon award in 2012. As a member of the shag world not only have I kept myself abreast of what is going on by attending the SOS/ACSC meetings for the last 6 years? I also share on the ACSC enhancement committee! I served as Vice President of the OD Shag Club 2015 and the Enhancement Committee 2015. My wife Kathy and I have been a member of the OD Shag Club for 4 years. We enjoy dancing at all the clubs in this area and enjoy being with the locals on Wednesday night at Fat Harold's. I believe in promoting and preserving the shag dance with my experience by participating in the administration of the shag as well as demonstrating the shag dance itself. I would appreciate your vote.
